Parnell's started when back in 1974 Denny and Sue Hughes bought a tavern called at that time Poor Mel's and re-named it Parnell's Place. In 1989 son Tim Hughes and his Late wife Cory purchased Parnell's, added a kitchen and expanded the dining room. Their focus was on creating a food destination that featured great tasting Midwestern favorites.

Parnell's celebrated their 40th anniversary July 1st, 2014 – a major accomplishment in the restaurant business.

Parnell's is known far and wide for their exceptional Broasted Chicken and Friday Fish Night featuring Haddock, Perch and Walley. Everyday favorites include, Great Burgers, Chicken, Seafood, soup of the day and Chili (with or without noodles).

Saturday is Steak Night featuring Chef's choice Prime Rib Steaks and Tenderloins cooked to your liking. On Sunday Parnell's famous Broasted Chicken is offered at a reduced price.

Parnell's opens at 2:00 p.m. every week-day except Tuesday and Friday, Friday & Sunday they open for lunch at 11:00 a.m. and on Saturday they open at 4:00 p.m.
